Re: Criminal justice partner survey

Our agency's vision is to deliver exceptional law enforcement services for a safer Minnesota. We are developing a new strategic plan now to help us achieve that vision in the coming years – and we need your help.

To assist us in that endeavor we ask that you to complete a brief 10 minute survey to provide information from your organization's perspective about the systems, services and relationships that you find valuable. We also want to know about gaps or issues your organization experiences when dealing with the Bureau of Criminal Apprehension (BCA) to better serve you and learn some more about what is important to you.

If you are not the correct person to represent your agency in this survey, please forward this email to the correct person.

We ask that you (or the appropriate person from your agency) provide input before Wednesday, March 27. Your input will be used to strengthen our strategic planning efforts.

You can take the survey at either one of these two links:

- [BCA Partner Survey](#)
- https://mad.qualtrics.com/jfe/form/SV_3w6JNmLpTX8aFf0

Management Analysis and Development (MAD) is conducting the survey as part of our strategic planning effort. MAD will share summary reports and anonymized open-ended responses. The final report will not connect specific answers to individual respondents or partners. Any private information that you provide in this survey is protected under the Minnesota Data Practices Act, Minnesota Statutes §13.64.

If you have technical issues or content questions about the survey, please contact MAD consultant Samantha Grant at samantha.grant@state.mn.us.

Thank you,
